**President's report:** Colleen Chaffee reported that our "A" Match was held on Sunday March 9th and everything went very well and all paperwork has been sent into AKC, we are waiting for a reply.

**Secretary's report:** Carol Srnka read two thanks you notes. One from Joanne Colvin thanking the club for the judge's gift for judging the match and one from Michael Fenwick for the embroidered cap sent to the Tibetan Spaniel Association of Victoria (Australia).

**Committee reports:** Carol Srnka repeated that FLTSA's 2nd "A" match went very well and she will call AKC next week to see if the match was "accepted" by AKC and if so will proceed to ask that FLTSA have approval to hold specialties.

New Member applications: the applications of Elaine Money, Eric Woodward and Karen Chamberlain were all read and will be voted on in May.

**Old Business:** Mark Bergman is still working on getting the website up and running.

**New Business:** Colleen Chaffee reported that at the TSCA Board meeting in Florida there was a push to get some of the "local" Tibbie clubs to join TSCA. some of the perks include being able to have information disbursed free in the TSCA newsletter. Deb Bain made a motion that

FLTSA make application to become a member club of the Tibetan Spaniel Club of America.  
2nd Bill Chaffee. Voted and carried.

Next Colleen asked for suggestions for trophies for future FLTSA specialties. Many Specialty clubs offer a trophy that can only be won at their shows. One suggestion is towels with the embroidered FLTSA logo on it. Margie Wikerd made a motion to go ahead and have the FLTSA logo digitized. (the approximate cost is \$100 and the logo then could be used on any number of different items) 2nd Bob Defee. Voted and carried. Colleen also asked that any other suggestions for trophy ideas be sent to Carol, Margie or Colleen and we will try to get some prices so that we can make an educated decision at the next meeting.

Respectfully submitted,
